Upcoming Diocesan Vision Events (to be held at Penllergaer Church Hall – all welcome)

Saturday 5th March 2016 - Living in Exile led by Revd Pdraig and Ruth Gallagher

'By the rivers of Babylon we sat and wept...' how can we come to terms with a future that looks so unlike our historic church life? What does our theology teach us and what can we learn from psychology?

Saturday 4th June 2016 - Being an Easter People with Rt. Revd. John Pritchard

'Let him easter in us': the words of Gerald Manley Hopkins remind us that Easter can be a verb as well as a noun. How can we live Easter through the year and what does it mean to be an Easter people? We will use the Biblical narratives, poetry, paintings, stories, music and prayer to explore this greatest to Christian themes.
